Stanhope firefighters pour water on the smoldering remains of the Stouffer Mill near Halls Lake. The structure was gutted by flames early Tuesday morning. There was little the firefighters could do to save the mill when they arrived on the scene as the building was completely engulfed. Their efforts were directed toward preventing the flames from spreading to the adjacent piles of lumber and mill vehicles. The owner of the mill, Elgin Stouffer, has indicated he does not intend to rebuild.

Fire destroys Stanhope mill

A blaze early Tuesday morning destroyed a wood milling operation in Stanhope Township. The blaze levelled the mill owned by Elgin Stouffer near Hall's Lake. Mr. Stouffer is the Deputy Reeve of Stanhope Township.

Stouffer said that he was awakened at approximately five o'clock in the morning to the sound of crackling and muffled explosions. Looking out of the window of his home, which is located adjacent to the mill, he saw flames shooting out of the roof of the structure. He immediately called the Stanhope Fire Department,

but by the time the trucks arrived on the scene, a short while later, the entire structure was engulfed in flames.

The firemen and Stouffer were able to rescue a number of vehicles parked near the

burning structure, but were unable to bring the flames under control and the building was quickly consumed.

A fork lift truck which was parked near the building was dragged away from the intense heat of the flames, however not before the tires and seat of the vehicle were scorched. A

plastic gas container resting on the deck of the machine had started to melt, but fortunately the volatile liquid did not ignite.

The firemen used the department's tanker truck and strung hoses to a nearby pond in an effort to bring the blaze under control.

Members of the Stanhope brigade were on the scene until 11 o'clock Tuesday morning. They left portable firefighting equipment behind in anticipation of the fire continuing to smoulder in the woodchips and sawdust which littered the area.

Fire Chief Bob Nangle said it was difficult to determine the cause of the blaze. He noted that the mill had not been operating on Monday but that the owner reported he was welding near the structure and a spark from the equipment could have caused wood debris to smoulder overnight until the flames broke out.

Damage estimates range from \$100,000 to \$150,000.

Mill owner Elgin Stouffer said the facility was not insured. He has operated the mill in that location for ten years and had a portable sawmill prior to establishing the facility. The mill operated with a staff of two.

Land price finally set

After a sixteen year delay, the value of a parcel of land expropriated for the expansion of the Stanhope Airport has been established. The decision was made at a Land Compensation Board hearing in May.

Stanhope municipal council was informed of the Board's decision at the monthly council meeting on June 6.

In 1968 the Township of Stanhope expropriated 23.6 acres of land adjacent to the airport. The township made an offer of \$100 an acre to the estate which owned the property.

Under an expropriation bylaw which was in effect at the time, the value of expropriated lands was set at \$100 an acre. The township offered that amount to the estate.

The offer was refused by the heirs to the estate and since the date of the first offer the municipality and the heirs to the estate have

(more on page 2)

Man injured in motorcycle mishap

A motorcycle accident on Highway 35 just south of Minden has sent an area man to hospital suffering major injuries.

According to the police, 34 year old Ian Coltman of R.R.2, Minden was negotiating a curve when his 1974 model Honda motorcycle flipped over sending driver and machine into the ditch. Damage to the machine was estimated at \$800.

Constable Bob Pearson was the investigating officer.

Car flips

Seven individuals rec-

eived minor injuries after the vehicle they were travelling in left South Lake Road and flipped over in the ditch. The mishap occurred in the early morning hours of Sunday.

According to police the accident took place near Hospitality Inn Road in Snowdon Township.

The driver of the car, 24 year old David Watt of Toronto has been charged with impaired driving.

Constable Glen Irving was the investigating officer.

Thefts

The number of thefts reported in the past week

have increased dramatically according to details released by the police.

The following is a partial list of the items reported missing during the past week: two flags, from a Dorset area motel valued at \$120; a canoe from the Irondale River valued at \$500; an outboard motor, binoculars, chain saw, radio and other property from a cottage on Lutterworth Lake. The items are valued at \$800; a pump and tank from Pine Lake near Gooderham valued at \$300; an aluminum boat taken

from the Raven Lake Landing south of Dorset valued at \$200; an outboard motor, saw and stereo from

a cottage on Big Hawk Lake valued at \$700; a chain saw from the Leslie Frost Centre

valued at \$100; a barbeque from Monmouth Township

valued at \$150; and a quantity of hot dogs from a

cottage on Hawk Lake. Police refuse to speculate as to whether the last two thefts were in any way related.

Horticulturalist charged by police

There is one horticulturalist in the county who obviously took his hobby very seriously and as a result now faces a number of charges laid by Constable Boyd Jarvis of the Minden OPP.

The incident all began innocently enough June 4 when the police officer stopped a car on Highland Street in Haliburton after the driver committed a driving violation. As the constable talked to the driver of the car he noticed a book on the floor of the vehicle. The book was entitled "Marijuana Grower's Guide."

The officer then searched the man's car and found a tin of seeds in the glove compartment. In the trunk of the vehicle were several planters, a watering can and some potting soil.

Further investigation led the police to a cottage in Monmouth Township where they discovered 44 foam coffee cups each containing a marijuana plant standing two inches tall. The search of the cottage also turned up more potting soil and additional seeds.

John David Sutherland, 18, of Rexdale, has been charged with possession of a narcotic and cultivation of marijuana.

Stanhope picks logo

A design submitted by artist Marta Scythes has been chosen as the winner of a logo contest held by the municipality of Stanhope.

The design was selected by council members over the entries submitted by six other individuals.

Miss Scythes, who presently resides in Kingston, lived in this county for four years, including two years spent on Saskatchewan Lake in Stanhope Township. An exhibition of her paintings was held last year at the Agnes Jamieson Gallery. Her drawing of St. Peter's Church is part of the gallery's permanent collection. She also worked as an advertising layout artist at The Times.

In a letter that accompanied the winning design Miss Scythes elaborated on her entry. She explained that the view shown on the logo is from the junction of Highland Road and Highway 35 looking south over Boshkung Lake. She added: "The three symbols represent some of the recreational activities in

Stanhope and also special points of interest." The deer, a symbol of land, represents wildlife, hunting and the Frost Centre. The plane represents the Stanhope Airport which brings people to the township. The crossed paddles, a symbol of water, represent canoeing and the Kanawa Canoe Museum.

The official logo contest was initiated in December 1983 and offered a first prize of \$100. The contest was open to students in the Haliburton School system then later opened to the public.

The design will be used on municipality stationery and on township vehicles.

Budget up 5.5%

Ratepayers in Stanhope Township will be paying 5.5% more in municipal taxes in 1984. Council approved the new budget at a special meeting held on June 1.

The total budget for this year is \$330,740. Taxes collected by the municipality will account for \$181,219. Reserves and federal and provincial grants will account for the remaining \$149,521.

The mill rates for residential and commercial properties increased by the same amount. The mill rates for township roads and general accounts showed the greatest increase averaging 13.75% while the municipality's share of County revenue increased by less than 1%. The charts below outline the mill rates for commercial and residential properties and compares the rates to the 1983 figures.

RESIDENTIAL MILL RATE COMPARISONS 1983/84

Land expropriation

(from page 1)

been unable to agree on a settlement.

The Land Compensation Board conducted a five day hearing in Toronto and ruled that the municipality must pay the estate \$10,918 for the land. In addition, the estate was awarded \$21,399

in interest payments based on an interest of 6% calculated over sixteen years.

The municipality is also responsible for all legal costs

that are incurred. The estate's legal costs amounted to \$7,434. The municipality's legal costs have not

as yet been submitted to council.

After council passed a resolution authorizing the payment of funds to cover payments for land, interest costs and legal fees, Reeve Harry Davis commented that "If there is any consolation in all of this, it is that it's over."

Property conditions annoy neighbours

A property on the Norley Road has come under severe criticism from a number of Stanhope residents and the Maple and Beech Lake Cottagers Association.

The criticisms were contained in six letters that were introduced at the Stanhope Council meeting on June 6.

The main complaint concerned unchained dogs that had confronted pedestrians on the Norley Road. One resident stated that his son had been bitten by a dog owned by the resident of the property.

Complaints were also made about a contaminated well on the property, piles of scrap metal, garbage left at the side of the road, and an excavation that was described as "dangerous and a breach of the law".

Several residents also complained about a dozen chickens and a horse kept on the property which is zoned

residential. One resident asked that Council take steps to remedy the situation and expressed his concern for real estate values in the immediate vicinity and the danger to public health and welfare.

Bylaw Enforcement officer Jim Moore reported to Council that the resident on the property had been charged for keeping animals on the property in violation of a zoning bylaw and that the horse and some of the

chickens were no longer kept there. He said that the resident had assured him that the remaining chickens would be sold.

He noted that the dog, which he described as friendly, was tied up at the time of his visit.

He also noted that the well had been tested by a health inspector and found

to be uncontaminated.

Lawyer Ray Selbie, who attended the meeting on behalf of one of the neigh-

bours, was informed that Council was in the process of reviewing a comprehensive property standards

bylaw, but that the bylaw was not yet in effect. Councillor Ann Barker pointed out that the Bylaw Enforce-

ment officer, who drafted the proposed bylaw, and council, were taking time to

ensure that the bylaw would be effective.

Council acknowledged

receipt of the correspondence concerning the property and authorized the clerk to notify the people

who wrote that action, where possible, will be taken by the municipality.

Minden firefighters, Bob Wells and Les Hogg are framed by the shattered remains of a window as they struggle with a hose during a blaze Wednesday at Braeside Lodge south of Minden. Quick work on the part of the Minden firemen saved the structure, however extensive heat, smoke and water damage occurred to the contents of the building.

Gas blamed for blaze

A fire started by gas escaping from a propane cylinder caused serious damage to a residence at the Braeside Resort on Wednesday.

John and Minnie Pentney

who are tenants in the building located on Highway 35 south of Minden had started

a gas barbeque on a deck at the rear of the building shortly before 6 p.m. Pro-

pane escaping from the release valve on the propane cylinder ignited, sending a

jet of flame through an open door into the living room.

After phoning the Minden fire department,

John Pentney tried unsuccessfully to extinguish the fire using water from a

garden hose.

At 6 p.m. the pumper unit from the fire department arrived. Firefighters

removed the propane cylinder then entered the smoke filled living room wearing breathing appara-

tus and were able to extinguish the main body of the fire.

Within 30 minutes the fire

was under control.

Assistant fire chief Don Booth noted that if the fire in the living room had continued for only a few

minutes more the entire structure would have ignited. The temperature was so extreme at the opposite end of the building that wall panelling warped and clothing that was hung

in a closet melted.

Structural and water damage was confined to one end of the building. The remainder of the main floor and the contents were blackened by smoke.

A dirty job

Twice during the past week we have witnessed members of local volunteer fire departments in action. Last Wednesday evening the Minden department was called to Braeside Lodge in Lutterworth Township to extinguish a blaze, while early yesterday morning the Stanhope Township Fire Department responded to a call at Hall's Lake.

The two incidents brought to mind how much our community relies on the volunteers who serve on the fire department.

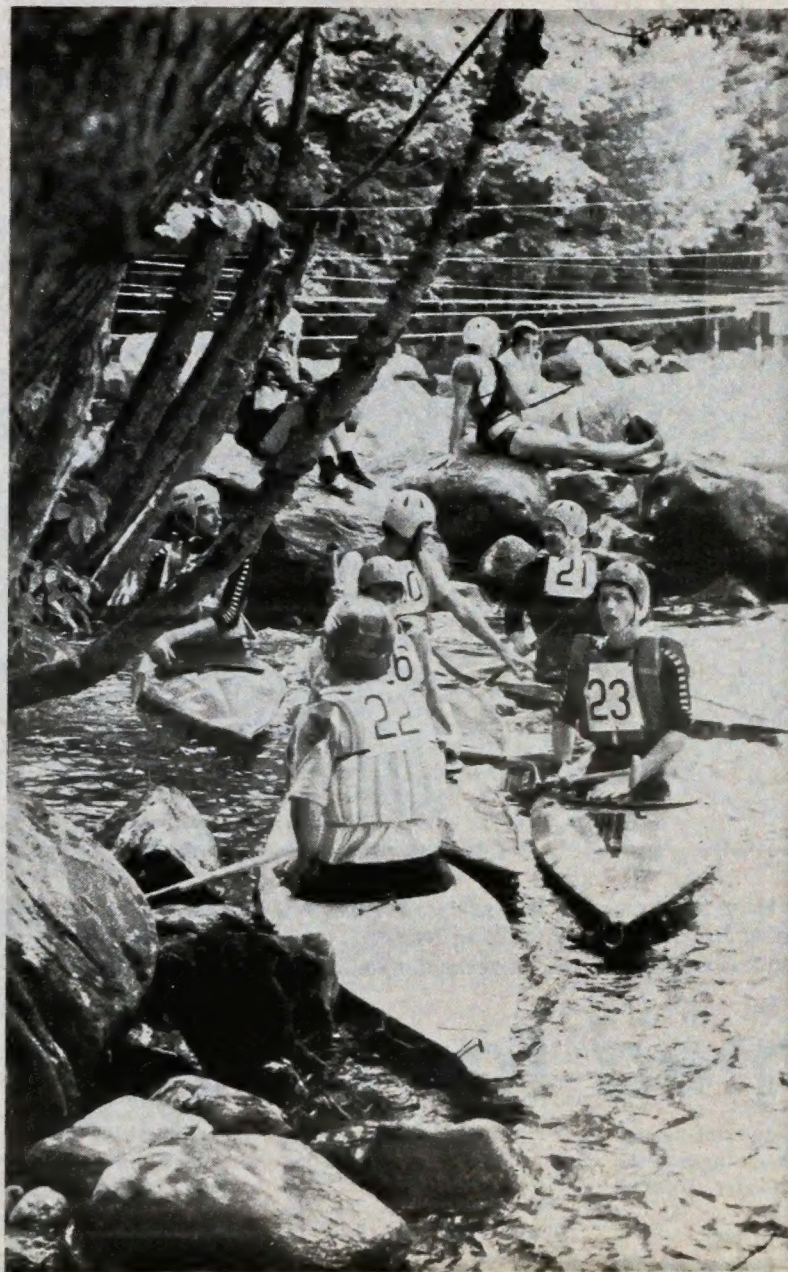

There are no doubt many who view the task of fighting fires as a glamorous occupation. This vision, perhaps coloured by the drama and excitement as portrayed in television programs or movies, is quickly shattered at the scene of a blaze. Firefighting is dirty, hot work. It is a dangerous, strength-sapping emotion filled occupation that leaves the onlooker wondering why anyone would volunteer for such work.

We've mentioned in the past that the men and women who step forward to serve their community, often do so without receiving the recognition they deserve.

Being a part of a fire brigade means more than just answering fire calls. It means being available 24 hours a day to respond to an alarm. The job also entails many training sessions and classes where fire fighting techniques are updated and the hazard of new materials are explained.

Volunteer firefighters provide an important service to the community they serve. It was obvious on two occasions this past week that they are inspired by a dedication to the community that reaches far beyond the flash and glamour of the Hollywood images.

We salute their efforts. While we hope never to have to call for their assistance, it is comforting to know the community is well served by their dedication.

Vets program changes

- by Bill Scott, MP -

On May 29th, the Hon. Bennett Campbell, Minister of Veterans Affairs, introduced Bill C-39, An Act to amend the War Veterans Allowance Act, the Civilian War Pensions and Allowances Act and certain other Acts in relation thereto.

Some of the measures in the Bill are:

1. Canadian merchant seamen who served aboard Canadian or Allied vessels off Korea during the years 1950 - 53 will be able to apply for Civilian War Allowances.

2. Lawyers from the Bureau of Pensions Advocate will now be able to represent War Veterans Allowance (WVA)/Civilian War Allowance (CVA) recipients at hearings before the War Veterans Allowance Board.

3. WVA/CVA recipients under age 65 will receive increases in July. The increase will be \$20 per month for single recipients and \$25 per month for married recipients.

4. All single WVA recipients over 65 will receive the \$50 Guaranteed Income Supplement increase proposed by the Minister of Health and Welfare. It is to be paid in

two stages \$25 in July and a further \$25 in December 1984.

5. After April 1, 1986, recipients of War Veterans and Civilian War Allowances over age 65 who receive Old Age Security / Guaranteed Income Supplement will no longer have to report their income to the department of Veterans Affairs. Instead they will only have to submit this information to OAS/GIS Programs.

6. The Aging Veterans Program, designed to assist elderly veterans to remain as self-sufficient as possible in their own homes, will now offer upgraded services to other groups of veterans. The Program has up to now been restricted to addressing the needs arising from pensionable war disabilities. Extension will go ahead in four stages:

- October 1, 1984: War disability pensioners 65 years and older who also receive War Veterans Allowance. Veteran WVA recipients 75 years and older.

- January 1, 1986: Remaining veteran WVA recipients 65 to 74 years of age.

- January 1, 1987: War disability pensioners 65

years and older who are unable to receive WVA due to receipt of Old Age Security Benefits.

- January 1, 1988: Veterans with theatre-of-actual-war service 65 years and older whose OAS benefits bar them from receiving WVA.

7. A transportation service will be added to the Aging Veterans Program. Under it Veterans Affairs may pay the transportation costs needed to allow participants to leave the home for shopping, banking, etc..

These changes are welcome, but they do not go far enough toward meeting the needs of Canada's veterans. They are house-keeping measures which have been long overdue.

It is regrettable that the Minister did not agree to extend the full benefit of the Guaranteed Income Supplement to married WVA recipients. As well, the Aging Veterans Program should be made accessible to WVA recipients immediately rather than phased in over four years. If sixty-five year old veterans will be needing the benefits of this program in four years, then those who are currently sixty-five should have them now.

outdoors

Federation of Ontario Naturalists

In Germany, it's called Waldsterben - literally forest death. By latest count, 35% of West Germany's famed forests are dead and dying. The agent of this fatal illness is air pollution, increasingly acid rain.

It may seem far away, unless, like me, you've always wanted a glimpse of the storybook Black Forest - an area where half the trees are now showing signs of irreversible sickness. Even then, you may reassure yourself that Canada's forests are still vast and healthy, requiring only more diligent replanting and careful control of pests.

But wait, a few miles across our southern border, the forests of the eastern seaboard are in serious decline. Several species are generally enfeebled, while on the tallest mountain peaks, from Vermont to North Carolina, the trees are sick and dying. Conclusive proof awaits further scientific study. But circumstantial evidence is overwhelming. Air pollution, especially acid rain, is at the root of this devastation. And judging by a recent report from the prestigious international environmental organization, Worldwatch, Canada's forests are next in line.

Canadians' dependence on the forest is great. Though relatively few people actually cut trees for a living, our manufacturing base, tourism industry and quality of life all rely on a healthy forest resource. Even a 1% drop in growth rates or productivity would be a serious blow. But a much worse scenario may be played out as a result of our unprecedented ecological experiment with pollution.

True, no one theory can yet explain why airborne pollutants have widely differing effects on different forest stands, even stands of the same species. Nevertheless, studies show that incoming acids have caused serious leaching of nutrients, such as calcium and magnesium, from forest soils within a few years. This depletion is compounded by the destruction of the fine roots of trees (which are needed to absorb those nutrients) thought to result from the toxic effect of heavy metals released in the soil as a result of acid rain.

Above ground, sulphur dioxide and ozone are known to weaken the structure of tree leaves and make them more attractive, to a variety of insect pests, than normal leaves. As the natural defenses which plants and insects have developed against each other are broken down, we tip the balance in favour of insects and create the need

letters letters letters letters letters letters

Editor:

I am writing this letter to express my opinion about the contents of the articles in both The Times and The Echo concerning Glebe Park as the selection for the Kanawa Canoe Museum.

(1) It would seem to me that Councillor Kenney was quite right to condemn a free choice vote before which people were told what the desired outcome should be.

(2) Reeve Fearrey mentioned that Councillor Kenney's comments harkened back to the old loggerhead days between Minden and Haliburton, but I feel that at some point in time the line must be drawn as to how much toe tramping one accepts before fighting back.

(3) The comment that the township of Dysart et al did not stoop to meddling in the decision seems rather redundant when the decision was already directed in their favour.

(4) One of the largest canoe type activities in the County transpires at the White Water Preserve and it

would seem that having the Canoe Museum somewhere near it would be a very tourist attractive situation.

It appears that Professor Whipper expressed the desire to be left out of the decision yet everything seems to be directed around comments he reportedly made in a private conversation with Mr. Frank Wallace.

This letter is but the tip of the iceberg as far as the feelings involved on this subject by myself and many others with whom I have spoken.

Editor:

I wish to express my appreciation to your newspaper for announcing, as a public service, the June 2nd First Annual Garage Sale of the Lindsay Group of Amnesty International.

I also wish to thank the members of our community for their support by contributing items for the sale.

We sold collectibles of every description, as well as

records, books, clothing, baked goods and even gold fish. Over \$1,600 was raised. Some of the proceeds will be used to support the work of Amnesty on behalf of "prisoners of conscience" throughout the world. We are also helping our recently released Turkish prisoner make the expensive adjustment to life in France.

Amnesty International is a worldwide, human rights movement, which is independent of any government, political grouping or ideology. It acts on the basis of the United Nations Universal Declaration of Human Rights, to seek the release of men and women detained anywhere as "prisoners of conscience". Torture, ending in mutilation or death, is too often the fate of many such prisoners.

Again, thank you for the support you have given to this very worthwhile work.

**Gary L. Thurston,

Editor:

The Gala Gananoque Heritage Days Festival Committee of Gananoque, Ontario, is seeking old friends of the town and former residents, to specifically invite them to return and share with us the mammoth celebrations we plan this June to observe Ontario's Bicentennial and the town's own heritage. This invitation applies to new friends as well.

To create a celebration of some size and scope, the Festival Committee has set aside three different weekends in which visitors and residents alike can kick up their heels and enjoy themselves. The first weekend, June 15 through 17, has the theme of a Town and Country Weekend while the second weekend, June 22 through 24, is entitled Festival of Friends. The third weekend, called Salute the St. Lawrence, will focus on the St. Lawrence River and the fun it provides to the people who live in or visit this area.

The second weekend in particular has been deemed as a homecoming weekend. It is a time when we would welcome former residents and new friends to the Gateway to the Thousand Islands. This weekend, June 22 through 24, will feature a giant Indian Powwow, historical exhibits and reenactments, as well as other events that focus on friendship and fun.

We would welcome anyone to attend. Better yet, people can consider themselves welcome at all three weekends. The first weekend

features a three-day bluegrass and country music festival starring Tommy Hunter, Sylvia Tyson, Family Brown and J.D. Crowe and New South. The third weekend will feature an estimated 1,000 boats in a giant cavalcade throughout the islands.

Further information can be obtained from the Gananoque Chamber of Commerce, 2 King Street East, K7G 1E6. Telephone is (613) 382-3250.

**Barry Grills,
Publicity Chairman.**

Farmers' rights Act endorsed

- by John Eakins, MPP -

Should the farmers of Ontario be protected by a 'Right to Farm Act'? Is such a bill necessary in order to encourage the preservation of agricultural land by protecting farmers who carry on normal farming operations from nuisance law suits by non-farm neighbours?

I believe we need such a bill and I am prepared to support such legislation, which has been introduced into the Legislature by my colleague Jack Riddell, M.P.P. for Huron - Middlesex.

This is the time of year when farmers are actively involved in the planting of another year's crops. When non-agricultural land uses extend into agricultural areas, however, agricultural operations often become the subject of nuisance lawsuits. As a result, agricultural producers are sometimes forced to cease operations. My colleague's legislation attempts to address this problem by providing a significant advantage for the farmer in conducting his farming operation.

In rural Ontario, the farm population represents only 22% of the total rural population. This situation often leads to disputes over odours, noise and dust. In order for the agricultural industry to remain viable,

farmers must be assured of their right to carry on normal farming practices free from harassment and restrictions.

The Right to Farm Act provides that a farming operation may not be declared a nuisance if:

a. It was established before the use of neighbouring land changed and was not a nuisance when it began, even if conditions have changed in the area where the farm is located.

b. Complies with guidelines for the conduct of farming operations established by the Minister of Agriculture and Food.

c. Conforms to generally accepted practices for farming operations.

In the United States, some 30 states have enacted 'right to farm' laws to resolve land use conflicts.

Ontario is becoming more urbanized and this has a dramatic effect on agriculture. A farmer's right to farm has now become a serious problem in this province. A new approach to deal with these conflicts is required which establishes certain basic safeguards which are essential to a viable agriculture industry.

If you would like to make comment on my remarks, I would be pleased to hear from you.

Outdoors

(from page 4)

for more costly interventions such as pesticide spraying, to restore a shaky equilibrium.

The most frightening aspect of this looming menace is that visible symptoms don't show up until serious damage is done. With billions of

dollars in annual revenues at stake, you'd expect the forest industry to be a champion of preventive action now. But so far this giant has slept through the public debate over acid rain clean up programs. It's time for residents of forestry dependent communities across Ontario to sound the wakeup call.

A frustrating business

Music is a frustrating business.

It is frustrating for young students who have music lessons forced upon them by unreasonable parents who are unaware of the benefits of baseball and skipping to a young child.

It is also frustrating to adults who left the musical education far behind, and who, now, must be content to secretly attempt to bring a tune to life with one finger at the keyboard or who may occasionally strum a friend's guitar.

Most of us at one time or another have attempted to play a musical instrument. Since the world is not crowded with musicians, it is obvious that many of those attempts were quickly abandoned. Frustration.

My own experience dates back to late elementary school days when the recorder was introduced into music class, which, up to that point, had mainly been a vocal exercise...remember holding your hands at waist height neatly folded into a cup shape (no doubt to catch the shattered notes) while performing at a local music festival or on parents' night? The early high school years saw the introduction to real musical instruments and a chance to experiment with things made of brass and ebony, with reeds and mouthpiece.

During my first few years at high school I selected, or had thrust upon me, a trumpet and tuba, if only because they were definitely more "masculine" and one had to be cool about those things at that age.

After a year of study with each instrument, my musical education came to an abrupt end. The years that followed were musically without merit, my only source of input coming from the blaring radio tuned to the local top 40 radio station. But then frustration began to set in.

It first emerged as I watched a fellow university student serenade a bevy of awestruck co-eds with the latest Bob Dylan or Peter, Paul and Mary folk song. When the guitar appeared, I, along with the

other male musical illiterates, was consigned to the outer fringes of the circle, providing the appropriate hand clapping beat, while the singer was awash in the adulation of the adoring young ladies. Frustration.

As in all stages of life, that one passed without leaving too much in the way of scar tissue. But, music continues to haunt me.

Just recently I attended concerts presented by students at Archie Stouffer Elementary School and

Haliburton Highlands Secondary School. Both concerts provided an excellent program of musical samplings. The student musicians are obviously receiving

excellent tutelage under the instructors at both institutions. Their confidence, musicianship and sense of timing and teamwork speaks highly of both their own dedication to the task of mastering a musical instrument and the encouragement provided by parents and teachers. To repeat comments contained in a letter to the editor in last week's newspaper, the music program in the school system here is paying big dividends and is obviously a valued part of the schools' curriculae.

Which brings me back to the point about frustration. While I can't help but enjoy the musical presentation of the students, I find it most frustrating to be a part of the audience. The feeling arises because of my own lost opportunities to come to terms with a musical instrument. Inevitably I leave those concerts feeling I am missing something valuable and important in life by not being able to play. There is usually some unspoken vow to find an old trumpet and get back at it, or to root out one of my daughter's beginner's piano instruction booklets and start practising my scales. Of course, other, more pressing matters intervene and my musical interests must be pushed aside.

In the meantime, however, I enjoy and appreciate the musical efforts of our local students, and others, while with each passing presentation my frustration continues to grow.

from the chamber

This year for the first time, Ontario is celebrating Senior Citizen's month. For the past 23 years we have honoured our senior citizens with a week of special events. This year, in response to requests from seniors organizations, the Ontario secretariat for social development have expanded their program for the full month of June in order to accommodate even more activities.

Since 1984 marks Ontario's Bicentennial, one of the programs organized through the secretariat for social development is "Partners 84 - Looking Back Ontario." This program encourages seniors from around the province to meet with young people through their local schools and to share with them their thoughts and remembrances of Ontario's past.

Windsurfing

Halimar Lodge will feature the Father's Day Open Windsurfing Races on June 16 and 17. This is actually the second year the race has taken place. Guy and Wendy Ramsay invite you to come and watch or participate. For more information phone Guy Ramsay 705-457-1300.

Fishing

Fresh water fishermen who plan on casting a line in Ontario this year and want to know when the pickerel and lake trout seasons open in the province or learn more about the new non-resident angling licence system can find answers and information in the 1984 provincial fishing regulations. This booklet is available free

of charge from the Chamber or the Ministry of Natural Resources.

Talent contest

The Municipality of Monmouth is planning its tenth annual amateur Talent Contest at the Country Good Times Weekend in Wilberforce July 14 and 15. All contestants are asked to register in advance. For more information call Donna at 705-448-2991.

Art

June 28 - July 31 - The Agnes Jamieson Gallery located at the Minden Library Cultural Centre is

featuring the art of Janet McGhee who studied water-colour painting with Toronto artist Gordon Peters and minimal artist Peter Klisnyk of Coburg. She has painted a lot of beautiful old buildings, in case or before they are demolished. She also paints landscapes in an impressionistic style.

New members

We would like to welcome the following as new members in the Chamber of Commerce: Hazel's Treasures, R. R. 4, Huntsville (Highway 60, between Deerhurst and Hidden Valley)

buys and sells antiques in a little country schoolhouse; Kingscote Lake Lodge, Box 70 Harcourt, Ontario, a wilderness retreat at the southern access to Algonquin Provincial Park; Haliburton Trout Farms, 3 km. south of Haliburton Village on County Road 1; J. Cannon of Viceroy Homes, located on Main Street, Minden across from the C.I.B.C.

Did you know?

by Bambi Gilder

Did you know ... that many consumers who are not aware of their rights may become easy targets for unscrupulous sales people and con artists?

A sample list of the major consumer pitfalls includes unneeded home repairs, overcharging, high pressure door-to-door sales or questionable land sales.

However, you will find the Ministry of Consumer and Commercial Relations helpful in these and other situations through legislation covering areas such as Consumer Protection, Business Practices, Travel Industry, Motor Vehicle Dealers, Consumer Reporting and Real Estate and Business Brokers Act.

For further information about your rights as a con-

sumer, call the Consumer Information Centre at 1-800-268-1142. You may also obtain information regarding crime prevention topics by contacting your local police. They can offer many prevention tips related to mail fraud schemes, con games, bank examiners and medical frauds, etc.

Please keep in mind that your County Information Centre is here to help people of all ages find solutions to problems including social, health, governmental and environmental subjects. Our office is open Monday through Friday, 10:00 a.m. to 4:00 p.m. and we are located in the Drag River Municipal Building (across from Emmerson Lumber) in Haliburton.

And remember, you will never know the answer, until you ask the question.

Students earn MOE award

Twelve Haliburton area grade school students scooped the bottom of Lake St. Nora for microscopic marine animals called zooplankton under the watchful eye of Ontario Environment Parliamentary Assistant Mike Harris Tuesday.

This was part of the Ministry's Environmental Work day at the Leslie M. Frost Centre near Dorset.

Mr. Harris presented certificates to the students who were winners of a poster contest sponsored by the Ministry in which 111 grade 5 and 6 students from Haliburton County participated.

Mr. Harris, M.P.P. for Nipissing has been chairman of the Legislature's Standing Committees on Resources Development and General Government. A businessman, tourist operator, and former teacher in North Bay, Mr. Harris joined the Ministry of Environment in August, 1983 as a parliamentary assistant to Andy Brandt, Minister of Environment.

"Environmental concerns - especially the effects of acid rain, must be a priority here in Haliburton as in the rest of Ontario and Canada," Harris said. "Education is the key. If we can get these

young people to realize the need for protecting our environment now, future generations will reap the benefits of a sound environment".

Environment Ontario's Muskoka - Haliburton District Office have been conducting environmental education programs in public schools in the area since 1976, alternating yearly between the elementary schools in Muskoka and Haliburton. Over 7,000 grade school children have participated in the program.

Each year an environmental poster contest is held to increase environmental awareness among area children. This year's entries ranged from acid rain to the problems of everyday littering.

The poster winners from Haliburton Highlands Senior Elementary School were Kyle Hewitt, Kendra Curry, Jenny Debes, Jodi McCracken, Royce Smith and Kirk MacDuff.

The winners from Archie Stouffer Elementary School were Holly Archer and Sheri Wesley.

The winners from Cardiff Elementary School were Andrew Greaves, Scott Ellis, Troy Main, and Cindy Steadman.

An Environment Ontario staff biologist took the children out on a Ministry boat to do actual field work such as water quality testing

and collection of aquatic life. The students also participate in a tour and study of the sewage treatment plant at Dorset.

Friends, Associates and Colleagues of

J. DOUGLAS HODGSON

Director of Education for Haliburton County
(1969 - 1984)

are invited to attend an Open House for the purpose of extending best wishes to

Mr. Hodgson

on the occasion of his retirement.

The Open House will be held in the

Library of Haliburton Highlands

Senior Elementary School

on Saturday, June 16th, 1984

between the hours of 1:00 p.m. and 4:30 p.m.

Kinette corner

by Cathy King

Elections night was the theme for the May General meeting of the Minden Kinettes.

Congratulations to incoming President Joanne Cubbage and the new executive; and to President Sue who has done an excellent job this past year. Following elections the Kinettes gave a baby shower to President Sue who was both surprised and thrilled by it all.

Recently the Minden Kinettes were pleased to make monetary donations to the following organizations: Agnes Jamieson Gallery, Hyland Crest Nursing Home; Rains' End Gallery; and the HAVE Committee. We were also happy to present the Minden Hospital with a playpen.

Father's Day sail board races

Windsurfing will get an opportunity to test their skills this weekend and help celebrate Father's Day.

The occasion is the second annual Father's Day open windsurfing race sponsored by Dufour and Bic sail boards. The event will be held June 16 and 17 at Halimar Resort on Lake Kashiagawigamog. Prizes will be awarded to the first three finishers in youth, ladies and senior classes. Registration fee is \$10.

The course covers modified triangles with a short beat and long reach.

Entry is open to anyone wishing to take part.

For more information contact Halimar Resort at 457-1300.

Agricrew ready for farm work

Twelve students have found summer employment on the 1984 Agricrew program. This year, three crews have been hired to serve Peterborough, Victoria and Haliburton Counties.

All crewmembers will participate in an orientation day on June 21st. On this day, the crews will learn safety skills and will build upon their agricultural skills. The crews will then have a few days off before they start work on the 25th.

The crews are quickly being booked by area farmers who are anxious to obtain this experienced summer help. The crews will complete jobs such as

haying, fencing, and painting during the last week of June and the first week of July. The crews are ready and available to help you this summer.

To book a crew, contact Graham Dyer, Agricrew Co-ordinator at 324-6125 (Zenith 97920) or at 745-2403 (Zenith 16310).

Kickers lose 5-1

The Dixie Lee soccer team met a skillful team in Parry Sound this past Sunday.

Parry Sound opened the scoring early in the first half but the Haliburton team came back late in the half to tie the game on a good individual effort by Ivor Thompson. Unfortunately Parry Sound was awarded a penalty kick following a questionable judgement by the referee. To their credit Dixie Lee did not complain when Parry Sound scored to lead 2 - 1 at the end of the half.

At that point perhaps Dixie Lee should have

adjusted their style of play. Parry Sound was moving the ball well with short accurate passes and were creating many chances. Bringing back a forward and playing with 4 midfielders instead of 4 forwards might have taken pressure off the

Dixie Lee defense. Parry Sound, however, kept up the pressure in the second half and went on to pile up a 5 - 1 score by the end of the game.

The team will practice in Haliburton on Thursday before meeting Orillia City on Sunday here at home. This will be the first of 3 consecutive home games.

Also present during the ribbon cutting were, from the left, Cathy Petrini, Kinsmen president Jerry Walker, Bob Nichol, home show chairman, John Parrish, opening ceremonies chairman and Susan Davis, a student at the Hospitality Training Centre.

OPP step up summer patrols

The Ontario Provincial Police will be on a full-scale alert this summer for drinking drivers according to a joint statement made by Ontario Solicitor General George Taylor and OPP Commissioner Archie Ferguson.

The summer months of June, July and August are the worst time for accidents on Ontario highways. Deaths arising from traffic accidents also hit their highest counts in the same months.

Accident figures have been tumbling steadily over the past five years, but according to Mr. Taylor, it is not the time for complacency.

"The OPP will be using a variety of different tactics to reduce impaired driving during the summer," said Mr. Taylor. "The portable breath-testing device and the 12-hour suspension will be used to their fullest."

In a recent message to all 4,200 OPP members, OPP Commissioner Archie Ferguson said that the population in the OPP jurisdiction increases dramatically with the influx of visitors in the critical months of fine weather.

The OPP will be making a two-pronged attack on the

drinking and driving problem. Enforcement of the Criminal Code will remain at the same high level as in the past few months, and a publicity blitz will be undertaken so that visitors to vacation areas will not be taken unawares by the positive enforcement being done by the OPP.

Commissioner Ferguson said, "Let me make it plain. We don't want people drinking and driving. We don't have to put our lives in jeopardy by tolerating this sort of irresponsible behaviour."

Solicitor General Taylor said, "This government is committed to reducing impaired driving. The police forces of Ontario will be doing their part by taking positive measures to convince the drinker to stay off the road."

The OPP now has 383 A.L.E.R.T. breath-testing machines which can be used to test drivers at the side of the road. If a driver fails the test, he is taken to the local OPP detachment for a breathalyzer test. A 'warn' reading on the machine will result in a driver's licence being suspended for 12 hours. Last year, the OPP used the licence suspension procedure 10,000 times.

Hustlers win 4 straight

The Rockcliffe Hustlers after dropping two of their first three games came roaring back with four big wins in the last week.

On Wednesday last behind the three hit pitching of Greg Newell the Hustlers defeated Woodville 3 - 1.

The return match in Woodville on Thursday was a complete white wash as the locals dumped the home towners 7 - 0 as Jack Snell allowed only two hits to take the win. Big guns at the bat for the Hustlers were Greg and Colin Newell with two hits apiece and Barry Hammond with three.

On Sunday the Rockcliffe boys travelled to Lindsay for a double header. They completely dominated the home town teams as in the first game with Kent Tavern they pounded out 14 hits in thumping the Tavern 11 - 0. Dave Hartwick led the way, smashing a home run while Greg Newell had a triple and a double and Bob Hammond two doubles. Jack Snell was the winning pitcher throwing a 2 hitter.

In the second half of the double header the Hustlers kept up where they left off in the first game as they thrashed York Tavern 10 - 1. Bob Hammond and Dave Hartwick each had 3 hits as the locals pounded out 16 hits against two York pitchers to back Greg Newells 3 hit pitching performance.

The Hustlers look like they are back in winning form of last year as they outscored the opposition 30 - 2 in the last four games. They also have some exciting players in the line-up so why not get out and give the boys the support they need. They play every Wednesday night at home at 8:00 p.m.

This Wednesday: Kent Tavern in Minden and Next Week: Lindsay Auctioneers in Minden.

Minden Hustlers pitcher Greg Newell has been instrumental in a number of team victories so far this season. Greg has won two games on the mound for the Hustlers and added to the team's score with his strong batting.

Dave Nicholls snags a blazing fastball while a Woodville batter is left wondering if he should have taken a swing.

A NEW PROPERTY TAX EXEMPTION

to help Disabled and Seniors live at home.

Why was this new program introduced?

"Many elderly and disabled people want to live with their families. However, in some cases, providing shelter requires extensive home renovations which result in increased property taxes. We must encourage—not penalize—families for their efforts to provide shelter and supportive care."

Accordingly, I am announcing today that homeowners who undertake renovations or additions, specifically to keep an elderly or disabled person at home and in the community, will be exempt from any increase in taxable assessment that would otherwise occur."

Budget Statement—May 15, 1984, The Honourable Larry Grossman, Q.C., Treasurer of Ontario.

Does the program involve direct financial assistance for alterations? No. The savings are in reduced property taxes each year, not in grants or loans for alterations. Under this program, the assessed value of the improvements will not be included when your property tax is calculated, providing the improvements were made to help a disabled or senior live at home.

Who can apply? Any property owner who makes improvements to accommodate people who are 65 or over and those of any age with physical or mental disabilities that would otherwise require them to live in an institution.

Can only the family of a disabled or senior person apply for this exemption? Not necessarily. For example, you may wish to make improvements to accommodate a friend in your home. Moreover, disabled or seniors can apply for the exemption directly, if they make alterations that will enable them to continue living in their own homes.

What about group homes? Non-profit group homes can apply, but only as long as their improved accommodations do not exceed three residential units. Larger institutions operating multiple facilities to care for the disabled or seniors are not included in this program.

Can commercial properties qualify? Yes, in some cases. For example, a family operating a retail store

could apply for the exemption if they make improvements to an apartment upstairs for the accommodation of a family member or friend who would otherwise be compelled to live in an institution.

What types of home improvements qualify? Any addition, improvement or alteration specifically related to the needs of the disabled or senior resident qualifies for this new exemption. These may include such features as special bathroom modifications or additions to an existing home. (Please note: general repairs and maintenance do not increase assessment anyway).

Does the exemption apply to changes underway or completed before the program was announced? Only alterations started after May 15, 1984 when the program was announced will qualify for the property tax exemption once the work has been completed.

How long will the exemption apply? The tax exemption continues as long as the senior or disabled person uses the property as their principal residence.

How do you receive this new property tax exemption? The first step is to call your local Assessment Office at the number listed below. To avoid any possible disappointment, please contact us before finalizing your plans. We look forward to discussing the program in greater detail.

Please talk to your local Assessment Office. We're anxious to help.

The best little warehouse in Haliburton!!

There were smiles all along the Minden Dixie Lee Seniors' bench Monday night as the team rode to a 16-12 victory over Haliburton Juniors.

Juniors win 24-5

Action resumed last week in the Haliburton County Ladies Softball league after a rainy week the week before. The Minden Juniors downed Wilberforce 24 - 5, they were led by Nancy Denny and Andrea Burk. Andrea pitched the win and also went 6 for 6 at the plate. Cindy Ablett had a triple only in a losing cause for Wilberforce.

In Minden on Tuesday night the two top teams, Minden Seniors and West

Guilford met to see who was the best. It didn't take West Guilford long to prove that they are No. 1. After two innings Minden was down 10 - 3, and West Guilford never looked back and defeated Minden 18 - 12. Minden threatened in the bottom of the seventh by loading the bases but couldn't get the runners home. Joan McKay picked up the win while Anne Hewson and Nelda Cully

shared the loss. On Wednesday night the Minden Seniors still licking their wounds, travelled to Wilberforce only to be beaten again 18 - 12. Wilberforce was led by Kim Mumford, Anne Alden and Cindy Ablett. Sue Pye and Helen Burk led the way for Minden. Sue Musclow was the winning pitcher while Wendy Gough and Anne Hewson shared the loss.

Funds raised during the evening are used to support the Society sponsors of the Haliburton County Fair.

Beef and lamb programme

- Ag report -

Details of the Productivity Incentives Program for beef and lamb producers in Ontario were announced by the Honourable Dennis Timbrell, Minister of Agriculture and Food, late last week. These initiatives are part of the Red Meat Plan and have been developed by a committee of beef and lamb industry representatives and Ministry staff.

The programs in this section are designed to encourage the improvement of the productivity and efficiency of beef and lamb producers. The sum of \$62.5 million has been earmarked for this program over the next 5 years.

While there are six general programs within this section, three are of special interest to producers in East Central Ontario. These are the cow-calf, cattle feeding and sheep development sections.

In each of these sections, producers will become involved in locally organized and operated improvement clubs. One basic purpose of these clubs is to carry out weighing programs for calves, stockers or lambs. This is very similar to the present beef calf weaning weight and lamb R.O.P. groups.

These clubs will be organized on a county, or section of a county basis, over the summer months, and should be fully operational by fall. Several new jobs are being created to assist County Agricultural Office staff with this work.

When an eligible producer has participated in the weighing part of the

program, then he or she can become eligible for various grants which will be available.

These grants include cash grants for weighing animals, grants for building handling facilities, for participating in herd or flock health programs, pregnancy checking, preconditioning of calves, forage testing, financial analysis assistance, etc.

Basic eligibility criteria include being an Ontario resident, and operating a farm. Specific eligibility criteria apply for each of the programs in this section.

Brochures outlining details, and application forms are being developed and should be available later this month, from County Agricultural Offices. The Victoria Cattlemen's Association have already decided to send a copy of these items to all their members with their next newsletter.

Full details on the program will be included in the June issue of "OMAF News".

Events this week:

June 11-14: Annual Conference for Agricultural Representatives Branch Staff and the rural Organizations & Services Branch Staff, at Kemptville College of Agricultural Technology.

Tuesday, June 12, 8:30 p.m. - Kawartha Junior Farmers meeting, Ops School.

June 11 - 15: O.A.C. Banker's School.

Wednesday, June 13, 7:30 p.m. - Victoria County Holstein Sale at Hickson Sales Arena

- 8:15 p.m. - Victoria

Federation of Agriculture Meeting at St. James Anglican Church, Emily. Julie White, Victoria County Dairy Princess, is the Guest Speaker.

June 13 - 15 - Ontario Horticulture Association Convention, in Sudbury.

Thursday, June 14, 7:30 p.m. - The Ontario Lamb Marketing Commissioners will hold a Hearing at Lindsay Agricultural Office. Briefs are invited from individuals and groups involved in lamb production.

Saturday, June 16, 12

noon - Haliburton County Farmers' Association Monthly Meeting, at the farm of Ingram Wessell.

June 19 - 21 - Ontario Pork Congress, Fairgrounds, Stratford.

NOTICE

IN THE MATTER OF the Municipal Act; and
IN THE MATTER OF a proposed By-law of
the Corporation of the Townships of Anson,
Hindon and Minden to stop up, close and
convey to the adjoining landowners part of the
66 'unopened' Original Allowance of Road
between Lot 4 Concessions 4 and 5 in the
Township of Hindon.

NOTICE IS HEREBY GIVEN pursuant to
Section 301 (1) of the Municipal Act R.S.O.
1980, as amended, that the Council of the
Corporation of the Townships of Anson,
Hindon and Minden at its regular meeting to
be held in the Municipal Council Chambers,
Milne Street, Minden on Thursday, June 14th,
1984 proposes to consider and, if deemed
advisable to pass a By-law to stop up, close
and convey the above-noted portion of road
allowance more particularly described as
follows: -

ALL AND SINGULAR that certain parcel or
tract of land and premises, situate, lying and
being in the Township of Hindon, in the
County of Haliburton, being composed of part
of the original allowance for road between
Concessions 4 and 5 across Lot 4 in said town-
ship, more particularly outlined on a copy of
Plan 19R-1680.

AND FURTHER TAKE NOTICE that before
passing said by-law at the meeting to be held
at the time and place mentioned, the Council
shall then and there hear in person or by his
Counsel, Solicitor or Agent any person who
claims that his or her land will be prejudicially
affected by the said By-law and who applies to
be heard.

DATED at MINDEN this 23rd day of May,
1984.

(Mrs.) Elinor Burke, A.M.C.T.,
Clerk-Treasurer,
Townships of Anson, Hindon and Minden,
Box 98, Minden, Ontario KOM 2K0
Phone (705) 286-1260

The plan of survey referred to herein is avail-
able for perusal at the Municipal Offices
during normal office hours.

Anglican Primate to visit Minden

The Most Reverend Edward Walter Scott, Primate of the Anglican Church of Canada and former Moderator of the Central Committee of the World Council of Churches will be attending an ecumenical reception in Minden on Saturday.

The reception will take place at Hyland Crest Senior Citizens' Home between 2 and 4 p.m.

Archbishop Scott was born in Edmonton, Alberta in 1919. After graduating from the Anglican Theological College in Vancouver, he became the parish priest at Seal Cove, British Columbia in 1942.

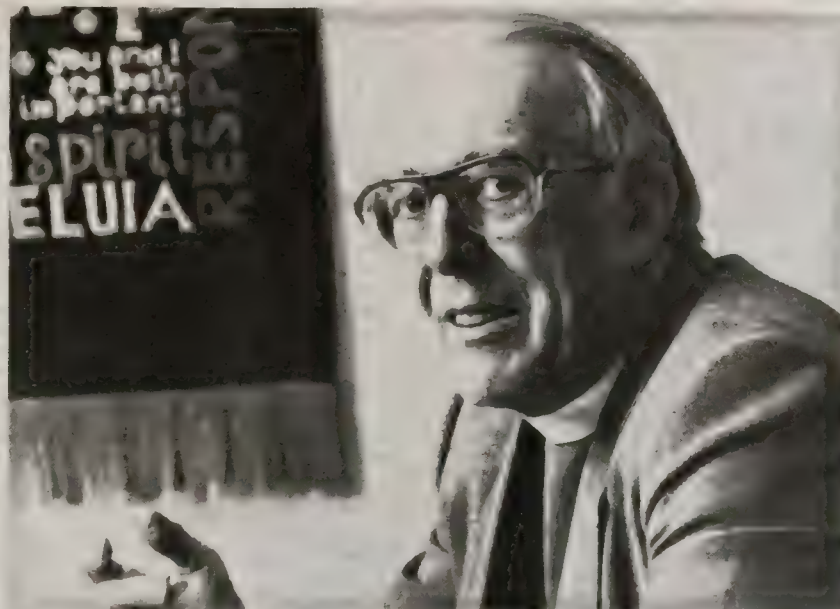

After serving as a teacher and general secretary of the Student Christian Movement at the University of Manitoba, he became the parish priest in Fort Garry and Winnipeg Manitoba.

In 1960, he was named the Director of Social Services and Priest Director of Indian Work in the Diocese of Rupert's Land.

After serving as a Associate Secretary of the Council for Social Service in the General Synod, he was consecrated Bishop of the Diocese of Kootenay.

In 1971 Archbishop Scott was elected Primate of Canada.

From 1975 until 1982 Archbishop Scott served as the Moderator of the Central Committee of the World Council of Churches,

Anglican Primate of Canada, The Most Reverend Edward Walter Scott.

a position that required extensive international travel.

In recognition of his achievement and service to his country and humanity, the Archbishop was admitted as a Companion of the Order of Canada by Queen Elizabeth in 1978.

Archbishop Scott is married and the father of four children.

The ecumenical reception to be held this Saturday has been organized by the Anglican Parish of Minden, Our Lady of Fatima Roman Catholic Church and the United Church charge of Minden, Carnarvon and Maple Lake. The public is invited to attend.

Trent Severn news

The storage on the Haliburton and Peterborough Counties reservoir lakes declined only slightly to 97.7% on June 7th. This put the present level about 4% higher than the 10-year average.

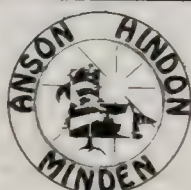

With the end of the surplus in the Kawartha the

flow has been reduced to the normal minimum and further declines in these lakes will require replacement with reservoir water. If this situation arises by next

week the conditions will be approximately normal for the time of the year. Stored water is usually required by about the middle of June.

Lake Simcoe - Couchiching still has a small surplus of about 5 centimetres, which will probably diminish in the continued hot weather.

Spotty thunderstorm type of precipitation seems to be approximately equalling the evaporation from the Trent-Severn lakes at the present time.

NOTICE

IN THE MATTER OF the Municipal Act; and IN THE MATTER OF a proposed By-law of the Corporation of the Township of Anson, Hindon and Minden to stop up, close and convey to the adjoining landowners part of the 66 'unopened' Original Allowance of Road between Lots 15 and 16, Concession 13, Township of Minden; part of the Old Peterson Road and part of Old Highway 530.

NOTICE IS HEREBY GIVEN pursuant to Section 301 (1) of the Municipal Act R.S.O. 1980, as amended, that the Council of the Corporation of the Townships of Anson, Hindon and Minden at its regular meeting to be held in the Municipal Council Chambers, Milne Street, Minden on Thursday, June 14th, 1984 proposes to consider and, if deemed advisable to pass a By-law to stop up, close and convey the above-noted portion of road allowance more particularly described as follows: -

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of Minden in the County of Haliburton and being composed of part of the original allowance for road between Lots 15 and 16, Concession 13, part of the Old Peterson Road and part of Old Highway 530 all in the said Township of Minden and further outlined on a Plan of survey registered as 19R-2898.

AND FURTHER TAKE NOTICE that before passing said by-law at the meeting to be held at the time and place mentioned, the Council shall then and there hear in person or by his Counsel, Solicitor or Agent any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at MINDEN this 23rd day of May, 1984.

Hobbies can be hazardous to your health

Eight years ago Helen Braithwaite began to suspect her batik dyes and waxes were affecting her health. She had chronic bronchitis, laryngitis, and severe migraines. After she quit using fibre reactive

dyes, the symptoms went away ... temporarily. Helen now has permanent lung damage, something she attributes to the dyes.

"It may come as a surprise to many people involved in arts and crafts that some materials they are using could be harmful," says Cindy Curik, Health Education Program Consultant for the Lung Assoc-

iation. Powdered clays used in ceramics and pottery contain varying proportions of free silica, which, if inhaled year after year, may lead to "potters rot" a respiratory disease that takes at least 10 years to develop.

Chronic respiratory disease can also be caused by inhaling certain wood dusts

such as American and African mahogany and western red cedar.

Painters too, are at risk to exposure to hazardous materials. Lead based pigments should not be used. Accidental ingestion of these harmful pigments or

even bad habits such as putting the paint brush handle (or tip) in your mouth can be dangerous.

Curik also points out that removing paint can be as hazardous as applying it, and here it is not only the painter that encounters this hazard but also the furniture refinisher. "Many paint removers contain the solvent, methylene chloride, which when inhaled in sufficient amounts is converted to carbon monoxide in the blood. This reduces the oxygen carrying capacity of the blood and thus puts certain groups such as people with heart or lung conditions, the elderly,

children and smokers at risk," says Curik.

Although the hazards for people involved in arts and crafts, either professionally or as a hobby, seem many, the risks can be reduced or eliminated by knowing and using safety precautions.

The Lung Association has produced a booklet called "Health Hazards In Arts and Crafts". A few safety precautions covered in the booklet are:

1. Before you use an art product, try to find out what the ingredients are. The manufacturer may be able to provide you with data sheets on their product. If not, contact your local arts or

craft association.

2. Read product labels before using the product.

3. Always work in a studio or room separate from your living area.

4. Make sure there is adequate ventilation in the work area.

5. Do not eat, drink or smoke in the studio. This will reduce the hazard of ingesting art materials.

Call your Lung Association at 324-6497 and ask for a copy of the Health Hazards in Arts and Crafts booklet.

Branch 129 news

At the May General meeting of Branch 129, Royal Canadian Legion, Haliburton, Deputy District Commander, Doug Worral, of Lindsay, and his committee, installed Branch officers at Branch 129 for the new year as follows: President, Bruce McKay; Immediate Past President, Sylvia Sisson; First Vice President, Holly Sisson; Second Vice President, Jack MacDonald; Third Vice President, Earl Shipley; Recording Secretary, Mabel D. Brannigan.

The Executive Committee will consist of: Mike Hawman, Stan Moore, Irv Chambers, Doug Pritchard, Cec. Bailey, Helen Johnson, Sgt. at Arms, Jim Hobson, and Service Officer, Lloyd Whittaker. Most of the above officers will attend a seminar at Branch 452, Peterborough, on June 10 for the introduction to the Officers' Manuals.

Reunion

Several Midland Regiment members attended the annual reunion in Bowmanville. It is noted that there are fewer members each year, and they leave the dance a little earlier. Addressing the members, Colonel Thorn stated that he helped to organize the Midland Regiment which began on December 16, 1936, and was composed of

the Durham and Northumberland Regiments. At the meeting, it was decided to hold next year's reunion in Port Hope.

Donation

West Guilford Recreation Centre were the recipients of three thousand dollars given by Branch 129 for lights for the ball field.

Books

Gerald Irish has made an excellent selection of World War II books which the Branch has purchased for its library. Please sign these out through the Manager, and return them on the due date as others are waiting.

Bingo

Fifty-eight jackpot numbers will be called at Bingo on June 13. The snowball of \$435.00 went to Lorna Hogg last week. Congratulations!

The Branch is sponsoring four delegates who have left to go to the Dominion Command convention in Winnipeg this month.

Com. Jake Yateman is convalescing at his home at Maple Lake. If anyone knows of any ill comrades, please contact the Branch. Names of Sick and Visiting chairmen will be published soon.

The next General meeting will be held the first Thursday in September.

STUDENT EMPLOYMENT AVAILABLE

The Minden Business Improvement Area has an opening for a student (up to age 24 as per employment grant qualifications) for the summer months. Duties will include street maintenance, providing assistance to visitors and participating in downtown promotion programs. Send applications to: Minden BIA, Box 98, Minden, Ontario K0M 2K0.

ONTARIO GOVERNMENT TENDER NOTICE TO EQUIPMENT OWNERS

SNOWPLOW TENDERS

The following equipment is required at the below listed area.

Tandem rear axle truck, having a minimum G.V.W. of 20,500 km OR single axle truck having a minimum G.V.W. of 13,600 kg, mounted with a one-way snowplow, wing and complete hydraulic assembly.

TENDER NO. 11-84-41

One truck required for snowplowing in the Gravenhurst area.

Sealed tenders on forms supplied by the Ministry will be received by the District Engineer, Mr. D.A.O. White, until 1:30 p.m., local time, on:

WEDNESDAY, JULY 4, 1984

Specifications, tender forms and envelopes may be obtained in person or by mail from the District Office, 207 Main Street West, HUNTSVILLE, Ontario, P0A 1K0, Telephone (705) 789-2391.

The lowest or any tender not necessarily accepted.

Ministry of
Transportation and
Communications

FOR SALE

One "AS IS" 1972 Case 580B Tractor/Loader. Highest or any tender not necessarily accepted. Please arrange with the office of the undersigned for an inspection if required.

Elinor Burke, A.M.C.T.,
Clerk-Treasurer,
Townships of Anson, Hindon & Minden.

CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT: and IN THE MATTER OF a proposed By-law of the Corporation of the Township of Lutterworth to stop up and close a portion of the 66-foot 'unopened' Original Shoreline (Marine) Allowance for Road along the shoreline perimeter of the Gull River, in front of Part of Lot 7, in Concession 13, in the Township of Lutterworth and to convey the aforesaid Shoreline Allowance portion to the abutting property owner.

NOTICE IS HEREBY GIVEN, pursuant to Section 301 (1) (a), of The Municipal Act R.S.O. 1980, that the Council of the Corporation of the Township of Lutterworth proposes to consider and, if deemed advisable, to pass at its Regular Meeting to be held at the Council Chambers, 3 miles south of Minden, on Highway No. 35, on Thursday, June 21st, 1984, at the hour of 7:00 o'clock p.m., a By-law to stop up and close the parcel of land more particularly described as follows: -

SCHEDULE "A"

ALL that part of the sixty-six foot Original unopened Shoreline Allowance for Road along the shoreline of the Gull River, in front of Part of Lot 7, in Concession 13, in the Township of Lutterworth, in the County of Haliburton, designated as Part 1 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton (19) as Plan 19R-2959.

AND, in addition, to convey Part 1 on Survey Plan 19R-2959 to the owner of the abutting Instrument Number 79348.

A copy of Survey Plan 19R-2959 is attached to the proposed By-law and may be viewed at the Lutterworth Municipal Office during normal working hours.

AND TAKE FURTHER NOTICE that, before passing of the said By-law at its meeting to be held at the time and place above-mentioned, the Council of the Corporation of the Township of Lutterworth, shall then and there hear in person, or by his or her counsel, solicitor or agent, any person who claims that his or her land will be prejudicially affected by the said By-law and who applies to be heard.

DATED at the Township of Lutterworth this 16th day of MAY, 1984.

Mr. Wayne D. Hughes,
Clerk-Treasurer,
P.O. Box 176,
MINDEN, Ontario
K0M 2K0

Ontario Municipal Board

IN THE MATTER OF Section 39 of The Planning Act (R.S.O. 1980, c. 379)
- and -

IN THE MATTER OF an application by the corporation of the Township of Lutterworth for approval of its Restricted Area By-law 4-81 as amended by By-law 24-82.

Appointment for Hearing

THE ONTARIO MUNICIPAL BOARD hereby appoints Monday, the 9th day of July, 1984 at the hour of one o'clock (local time) in the afternoon at the Minden Arena Auditorium, Minden, for the hearing of all parties interested in supporting or opposing this application.

If you do not attend and are not represented at this hearing, the Board may proceed in your absence and you will not be entitled to any further notice of the proceedings.

In the event the decision is reserved, persons taking part in the hearing and wishing a copy of the decision may request a copy from the presiding Board Member or, in writing, from the Board. Such decision will be mailed to you when available.

DATED at Toronto this 29th day of May, 1984.

D.G. HENDERSON
SECRETARY

NOTE: Attached By-law Number 7-82, further amending Restricted Area By-law Number 4-81, as amended by By-law Number 24-82.

The Corporation of the Township of Lutterworth Restricted Area By-Law No. 7-82

BEING A BY-LAW PASSED PURSUANT TO THE PROVISIONS OF THE PLANNING ACT, c. 379, R.S.O. 1980, TO AMEND RESTRICTED AREA BY-LAW NO. 4-81.

WHEREAS the Council of the Corporation of the Township of Lutterworth desires to establish a new municipal sanitary landfill site in part of Lot 9, Concession 4, adjacent the more southerly limit of the Iron Mine Road and east of the Davis Lake Road.

AND WHEREAS the Council of the Corporation of the Township of Lutterworth considers it necessary to amend Restricted Area By-law No. 4-81, the comprehensive zoning By-law as enacted by Council on September 29, 1981, by rezoning the said lands from the Rural (RU) Zone to the Waste Disposal Industrial (M3) Zone so as to permit the development and use of the lands for the purposes of a municipal sanitary landfill site;

NOW THEREFORE the Council of the Corporation of the Township of Lutterworth ENACTS as follows:

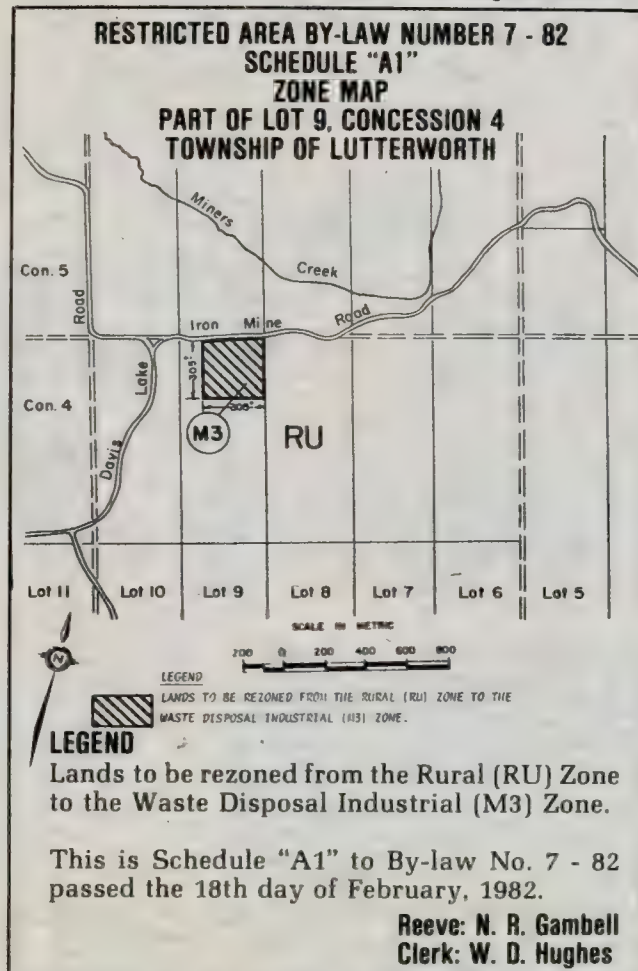

1. THAT Schedule "A", the Zone Map, attached to and forming part of Restricted Area By-law No. 4-81, be and the same, is hereby amended by rezoning those lands forming part of Lot 9, Concession 4, adjacent the more southerly limit of the Iron Mine Road, as delineated on the Zone Map attached hereto as Schedule "A1" and forming part of this By-law, from the Rural (RU) Zone to the Waste Disposal Industrial (M3) Zone.

2. THAT this By-law shall come into force on the date it is passed by the Council of the Corporation of the Township of Lutterworth subject to the approval of the Ontario Municipal Board..

THIS BY-LAW GIVEN ITS FIRST, SECOND and THIRD READINGS and finally passed on the 18th day of February, 1982.

Mr. N. R. Gambell, Reeve

Mr. W. D. Hughes, Clerk

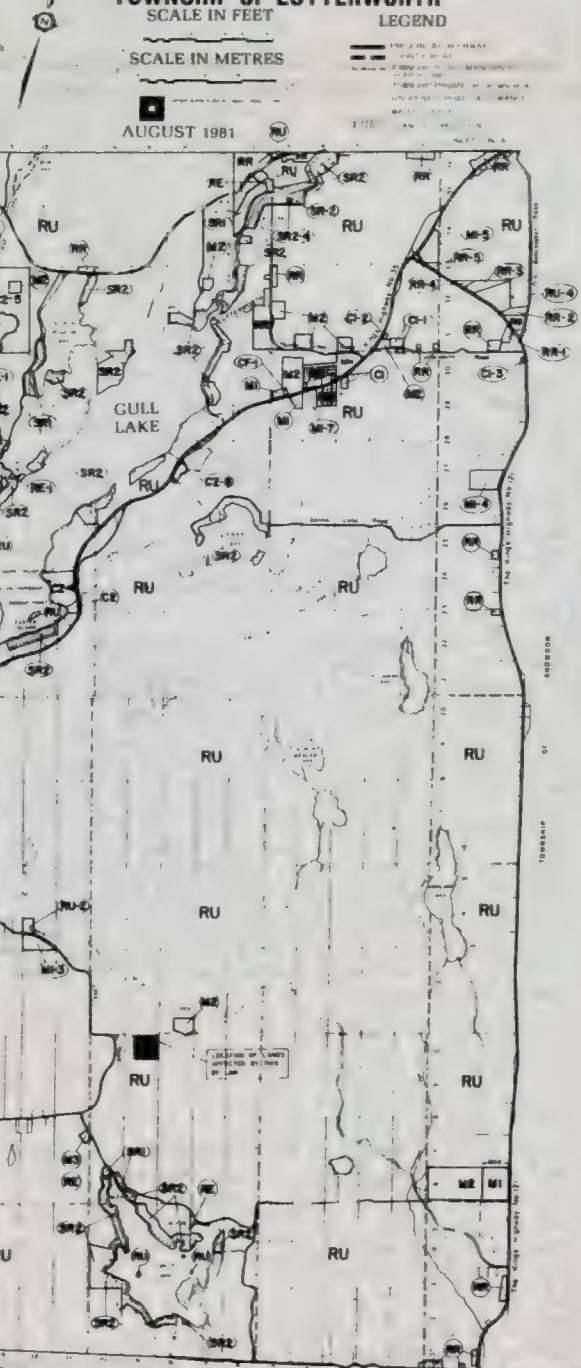

Restricted Area By-Law Number 7-82 Explanatory Note

Purpose of Attached By-Law: The purpose of the attached By-law is to amend Restricted Area By-law No. 4-81, the comprehensive zoning By-law, of the Corporation of the Township of Lutterworth. The By-law serves to rezone a parcel of land from the Rural (RU) Zone to the Waste Disposal Industrial (M3) Zone.

Location of lands affected: The lands affected by this By-law amendment are located in part of Lot 9, Concession 4, south of Iron Mine Road within the Township of Lutterworth. The subject property is conceptually illustrated on the Zone Map to Restricted Area By-law No. 4-81 attached as an Appendix to this Explanatory Note for ease of reference only. Reference should be made to the Zone Map attached to the By-law Amendment as Schedule "A1" for the exact location and accurate dimensions of the lands in question.

Effect of the By-law: The effect of the amending By-law in rezoning the property in question within the Waste Disposal Industrial (M3) Zone is to allow for the development and use of the said lands for the purposes of a municipal sanitary landfill site and such other accessory buildings, structures and uses as are normally considered incidental and subordinate thereto, provided all other relevant provisions of the Waste Disposal Industrial (M3) Zone are complied with.

RESTRICTED AREA BY-LAW NO. 7-82 APPENDIX TO THE EXPLANATORY NOTE SCHEDULE "A" ZONE MAP CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

250 participate in seniors' games

The first annual Ontario Senior Games held in Haliburton County was an unqualified success according to organizers. 250 adults 55 years of age and over took part in the event which was organized by the Drop-In Centre of the Haliburton County Home Support Services. The three day event which ended on June 8 was sponsored by the Older Adult Centres' Association of Ontario and the Ministry of Recreation and Tourism.

The Games were staged in Minden, Carnarvon and Haliburton and featured sports competitions, picnics, musical entertainment, card games and an old time dance.

On Friday many of the participants gathered at the bandshell in Rotary Park in Minden for the closing ceremonies.

After fiddler Harold Brodhagen had entertained the crowd with a selection of favourite tunes the organizers presented certificates to the winners of each event.

The following is a list of organizers and winners of the Games.

Cribbage: Norm Clift, organizer; 1st. Ina Smith; 2nd. Marion Clift; 3rd. Wes Stata.

Golf (Women): Bill Migh-ton, organizer; 1st. Grace Boice; 2nd. Betty Dawson; 3rd. Gwen Taylor.

Golf (Men): Bill Migh-ton, organizer; 1st. Rex Boice and Lorne Coburn; 2nd. Glen Austin; 3rd. Max Strang.

Horseshoes: Bruce Armstrong, organizer; 1st. Bruce Armstrong; 2nd. Jack Burtch; 3rd. Willis Walker.

Shuffleboard: Don and Elva Robinson, organizers; 1st. Laura Hartwick; 2nd. Stuart Martin; 3rd. Ray Knapp.

Bowling (5 pin) Norm Clift, organizer; 1st. Wes Stata; 2nd. Ray Knapp; 3rd. Norm Clift.

Scrabble: Marg Horsley, organizer; 1st. Helen McCracken; 2nd. Mary Hannah; 3rd. Marg Horsley.

Checkers: Bruce Armstrong, organizer; 1st. Bruce Armstrong; 2nd. Frank Clarke.

Chess: Bruce Armstrong, organizer; 1st. Sid Rowe; 2nd. Bruce Armstrong.

Crokinole: Bruce Armstrong, organizer; 1st. Lester Walling; 2nd. Vi Smith.

Euchre: Marjory Peel and Vi Smith, organizers; 1st. Lucy Noah; 2nd. May Eldridge; 3rd. Jim Aikman.

Dance: Anna Nichol, organizer; 1st. Lilian and Frank Clarke; 2nd. Mary and Lester Walling; 3rd. Vi Smith and Sid Rowe.

Indoor Lawn Bowling: Bruce Armstrong, organizer; 1st. Gala Heal, Cy Heal and Doris Craig; 2nd. Alf

The senior games provided an opportunity for residents of the Highlands to socialize and participate in a number of recreational activities including lawn bowling and shuffleboard. Fiddler Harold Brodhagen had an attentive audience at the closing ceremonies held at Head Lake park Friday.

Palmer, Simone Palmer and Bruce Armstrong; 3rd. Jim Ward, Bessie Burk and Vera Ward.

Bridge: Roy Fleming, organizer; 1st. Betty Strang; 2nd. Elva Robinson; 3rd. Douglas Hughes.

senior league

by Bert Harrison

Well readers, a lovely sunny morning, the sun is shining bright. And when the sun is shining, makes everything seem just right. The country is beautiful now, the trees are all leafed out. The flowers are lovely, it is so nice to be about.

Always an interesting service in the chapel Sunday night, when the Thompsons are there. Ruth to play the music, lead the singing. Harold to give the lesson, also offer the prayer. Then Rev. John, bless his heart, always has an interesting message to impart.

Mrs. Stutt had a birthday this last Sunday. Just how many years, I better not say, or I just might get into a fix. I heard someone say she was 86.

Congratulations to all the ladies who took the six month course. For passing their exams with honours, we wish them all the best. We have some clever ladies working here at Hyland Crest.

Fred Bamforth walks to Minden, sometimes 3 times a day. He says his joints have all stiffened up, so inside he had to stay.

Margaret Sisson is still confined, no longer comes to our diningroom table. We don't know how much longer before she will be able.

Watched 3 movies Monday night which was really grand. "The Family

Prince", "A Visit to the Rice Country" and "Snow Monkeys of Japan". In conversation with Heather Bowron's mother. She says Heather is having a grand time, travelling with the Friendly Ministry Group. From one country to another! She says she is coming home at the end of June for a month or so. She hopes to return for another year if she can raise the dough.

Tuesday morning the chapel service was conducted by Debbie Vaughan, assistant student to the Rev. George Elliott, who has heavy summer duties to carry on. She delivered a very interesting message. We were much impressed. We will be glad to have you anytime, here at Hyland Crest, and with good health and happiness, you'll be truly blessed.

Wednesday morning, some of the staff have gone to Bracebridge to a Seniors Seminar today. Fern Donnelly has taken over for fun and fitness when Doris is away. She is doing a good job too. She has a nice way of telling us what she wants us to do.

We thanked Darryl Crowe for coming to entertain us Wednesday night. But told us to remember that he wouldn't be back again, till sometime in September.

Thursday afternoon the Minden bowling ladies came

to Hyland Crest. Brought us bowls of lovely food and were our special guests. We would just like to say, thank you for coming to us this warm day. Speaking of weather we are never satisfied, are we not? It is either too cold or just too hot.

Doris took us in the Hyland bus this Friday to the Schnitzel House Restaurant for lunch. Good food, well served, everything okay. Sorry to miss sing song but after our little spree, I felt too tired, couldn't sing, just crowed. I thought I might get fired.

Payne and Deacon came Friday night, last time, until September. Sam sang and I played fine music we should all remember. With John Stewart playing the piano, Gordon the sticks did play. Yours truly playing the harmonica. A good time was had by all. Take your partner by the hand and promenade the hall.

Education

Here's a fact that's worth the knowing.

So treasure it and mark it well;

When the mind is through with growing

Then the head begins to swell

Anon

Proud of senior games

by Marie Wallace

Just over a year ago I attended a forum held in Toronto about the Ontario Senior Games. It was very informative and sounded like the seniors who participated had a lot of fun. Because of the commitments Home Support had in providing the services, eg. Meals on Wheels, Transportation, Home Help, Friendly Visiting, Wheels to Meals & Fone-a-Friend, we just did not have the time necessary to organize these games.

But, as you are probably aware, 'Senior Games' have taken place this past week and approximately 250 participated in the events held in communities throughout the County. The Drop-In Centre for seniors, located adjacent to our office, has made this possible. A co-ordinator, Anna Nichol, has been hired to organize programs for the Drop-In Centre and she undertook to involve volunteers in planning for the games.

We wish to thank all the members of the committee who have spent many hours organizing the events: Bruce Henry, Chairman, Bill and Ruby Mighton, Don and Elva Robinson, Norm and Marion Clift, Jim and Doris Rowe, Violet Smith, Bruce Armstrong, Marjorie Peel, Margaret Horsley, and Roy Fleming. We also would like to thank all those who assisted this committee in convening the events.

We are very proud that Haliburton County has held its first 'Senior Games' and are hoping that this will be

an annual event and even more people will participate next year.

If you need any of Home Support services, please call 457-2941, - we're here to help you.

We invite you to the following events at the Drop-In Centre on Friday, June 22, 10:30 a.m. monthly meeting of Home Support, 12 noon, bring a picnic lunch and eat in the park, beverages provided; 1:30 p.m., official opening of the Drop-In Centre. Remember to make this Centre your home while in Haliburton.

We were very happy to hear that Lola Prentice celebrated her eightieth birthday Sunday in a big way. A tea was held at Hyland Crest at which over 185 well-wishers turned out. In the evening, Lola and 21 family members, including her brother Bryce, 4 nephews and a sister-in-law from Ottawa, her brother Stuart and his wife from Stratford and friends from Uxbridge, journeyed to the Fireside Restaurant for a celebratory dinner. We understand the entire day was a huge success and wish to add our best wishes and congratulations to Mrs. Prentice on her birthday.

Don't forget! - Free movies for children at the Library-Cultural Centre on Friday, June 22 at 7:15 p.m.

We received a note from the Minden Women's Institute and will pass it on as written:

Come One - Come All!! to Minden Women's Institute tea at Minden United Church Hall on Wednesday, June 20 at 2 p.m. for our celebration of

Our 77th
Minden's 125th
and

Ontario's Bicentennial Tea, coffee and snacks will be served and don't miss the Tweedsmuir Books, Minute Books and the antique display.

Sounds like a most interesting outing.

Winners at last Thursday afternoon's card party in the Common Room were: Grace Turton, Betty Harper, Lone Hands (on a cut) Freda Stacey. All proceeds, of course, go to

the museum fund.

The Bennett household is eagerly awaiting the arrival of Sue's mother, Dorothea Whittemore. She will arrive Thursday from England and will be visiting with Dr. and Mrs. Bennett and daughter Misty until July 4.

Club 35 card party winners for this week were: most lone hands - Gerry Mitchell; high lady - Barb McNeill; high man - Emmerson Gallagher. The door prize went to Bruce Cummings while other winners were Mildred Mitchell, Verna Sawyer and Bill McNeill. Out thanks to Alex Stevenson who sees to it that we get these results each week.

Best of luck to all the students in the county who are writing exams this week. Congratulations to those who have been exempted from writing and are already out of school for the year. Time really does fly - it doesn't seem so very long ago that they were just going back after last summer's holidays.

John Meuris of Cochrane visited last week with some friends in the area. He dropped in to The Times office to let us know that he and his wife Anne are still enjoying keeping up with The Times and to let us know their son Jeremy is growing by leaps and bounds and grows more interesting daily.

Two more poems for our collection this week. Hope you enjoy them.

Boom Boom!

Oh the table, folks, is laden
With lots more than enough,
But stretch out for that second piece,
We'll cut your fingers off.

No sir, it goes for storage,
Until there is no room,
Then we'll all sit upon our hands
Until the next trade boom...boom, boom.

We came upon these earthlings,
Now we know you ain't naive,
But what we have to tell you
You hardly will believe.

True as death, these earth folks
All were sitting there
It seems that they had starved to death
With all that food to spare.

With this peculiarity
The mystery expands.
We found that all these starving folks
Were sitting on their hands.

Except there was this other guy,
His finger on a button,
His hair was standing up on end,
An he was as cold as mutton.

W. Watson,
R.R.2, Minden

We were delighted to hear Edith Welch is back among her friends at Hyland Crest after a long spell in hospital.

Sincere sympathy to the family and friends of Victor Spencely who passed away Monday at Minden Hospital.

A tribute to Gull Lake

Sunrise, Sunset,
What beauteous moments they are,
Sometimes, just before the dawn's first rosy light
You may capture a single star.
The inky black of nighttime
Becomes cerulean blue
The puffy, fleecy clouds that float
Now grey, but changing to white
Are touched by that faint, rosy hue.
The dawning of another day
While all the world is still,
The birds begin to twitter
After the night-birds go
The dewy-covered spider's web
That sparkles in the sun's first glow.
Across the placid surface of the lake
Rimmed with gently sloping hills -
And stalwart pines
Comes the plaintive crying of the loon
It echoes in throbbing trills.
Look there! A fish leaps high
In morning ecstasy
The sun is not too high
Or he would seek the water deep
On the bottom he would be!
I wander to the edge
The wavelets nibble at my feet,
Amid all the pebbles, the water's
Cold and bittersweet.
The thought it came to me again
When I was just a child of ten
You really can come back again.
The lake's the same, still beautiful and serene,
One of the most beautiful spots,
That I have ever seen.

Yvonne Guida.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Q: What do you call a monster who eats his mother and father?

A: An Orphan.

Q: How do you treat a sick monster?

A: With respect.

Q: What do you do with a blue monster?

A: Cheer him up.

Q: What is a ghost's favourite day?

A: Moanday.

Agnes Jamieson Gallery
Our Folk Art Exhibition continues to delight our visitors and will be here until June 22nd. Come visit us and see Ulysses tied to the mast; Aphrodite in her swan driven car, "the surrey with the fringe on top", and an 1835 landau, all wood carvings by Gordon Law. Then look closely and feel the charm and innocence of the paintings by Lynda Lapeer. Plan to stop in and spend a few most enjoyable minutes, and be sure to bring the children. This is a show for children of all ages.

Now is the time to pick up your Registration forms at the gallery for our Juried Fine Art Show.

CARD OF THANKS

We would like to give a special Thank You to the Minden Volunteer Fire Department at the time of our fire. I never dreamed you went through such a horrible and dangerous time when you fight a fire. Words can't express our gratitude and admiration to you and the job you did. Thank you also to: Ted Vasey, Doug McNabb and Mrs. Art Ward for stopping and helping us save as much as we did - to all who offered help and accommodation, to Ross and Marion Stickwood for the use of your trailer, to Ron and Grace Caney for your hospitality and to John and Linda and David and Bonnie - you're the Greatest! Thank you so much to all of you.

John & Minnie Pentney

CARD OF THANKS

My family and I would like to thank you for making my 80th birthday party a memorable occasion. All your cards, flowers and best wishes were truly appreciated. Special thank you to the Hyland Crest Auxiliary for a delicious luncheon and to Sid Brown and staff for all their co-operation.

Lola Prentice

Sincerely we wish to say Thank You to those who have lightened our hours of sadness by cards of sympathy, thoughtful phone calls, words of concern or visits to our home. Our elder son Ted is sorely missed.

Nellie and Art Kerr

I wish first of all to thank the Lord for keeping me from really serious injury or broken bones in the recent accident. Also I wish to thank all police, ambulance and hospital personnel, Dr. Holiday-Rhodes and Dr. Lodenquai for their speedy and expert care, also the VON and the Homemakers for their help after I came home, all friends, neighbours, the teachers at the school and all who helped and remembered me in so many ways and for all who prayed for me. Many thanks to all and may the Lord reward you.

Edith MacArthur

CARD OF THANKS

The Haliburton County Fair Fund Raising Committee wishes to thank everyone who participated in and contributed to the successful Beef Bar-B-Q dinner and dance Saturday night. 6B

AT REST

SPENCELY
Victor

- at the Minden Hospital on Monday, June 11, 1984 in his 85th year, husband of Kathleen Jones, dear brother of Clarence, Ada, Jean & Mamie. Resting at the Gordon A. Monk Funeral Home, Minden for Funeral Service in the chapel on Wednesday, June 13th at 11:00 a.m. Interment Minden Cemetery.

IN MEMORIAM

VOICEY - In loving memory of our dear brother Joseph Henry who passed away June 10, 1982.

A silent thought, a secret tear,
Keeps his memory ever dear,
Time eases the edge of grief,
Memory turns back every leaf,
Too dearly loved ever to be forgotten.

Sadly missed by his 3 sisters,
Annie, Laura, May

Septic tanks cleaned out.

Reasonable rates.
